Welcome to the Mary Davies Library and Community Centre, a contemporary, cutting-edge library service and multi-purpose community centre named after Mary Davies.

Mary Davies (1926 –2014) was a passionate and committed member of the Rockingham community.

Amongst many achievements, Mary Davies was named a Freeman of the City of Rockingham in 1999 and awarded the Order of Australia Medal for service to the Community of Rockingham in 2003. Her interests in community projects and local history reflect in the naming of the centre in her honour.

The Mary Davies Library and Community Centre has collections and spaces specifically tailored for the Baldivis community.

A place to learn, explore, relax, create and inspire, the beautiful Mary Davies Library is a vibrant community hub.

Grab a book and curl up in one of the cosy reading nooks, take a magazine out into the sunny courtyard, check out the young adults zone in the Oasis Room.

We have a collection as diverse as our community, with a range of books for enthusiasts of all kinds, novels for those wanting a bit of an escape, and audio books to take with you on long car rides.

The library is proud to host a number of events for all ages and abilities. Whether your interests lie in art, food, culture, travel, history, innovation or technology, there is sure to be something for everyone.

Children are invited to attend our weekly Rhyme Time, Toddler Time and Story Time sessions, and to participate in school holiday activities.

At the Mary Davies Library we want the whole community to feel at home.
